EXTENSION OF THE THIRD COUNTRY PROGRAMME FOR SAO TOME AND PRINCIPE

Note by the Administrator

1. The third country programme for Sao Tome and Principe covers the period from 1987 to 1991. The Government has requested a one-year extension in order to incorporate in the fourth country programme the conclusions of the round-table meeting and sectoral consultations of donors to be held in 1992. During the one-year extension the central themes of the third country programme will be continued, namely: the strengthening of economic management; support to agricultural production; support to industrial production and services; and the strengthening of transport and communications.

2. The Administrator wishes to inform the Governing Council that he has approved the extension of the third country programme for Sao Tome and Principe for a period of one year, beginning 1 January 1992.
